NORTHBYRONHOTEL
sunshine

Here at the North Byron Hotel, we're passionate about our produce and supporting our incredible local growers, farmers and fishermen that make our region so special.

Over the next four weeks, we'll be renovating our kitchen, but that simply means we're bringing the cooking outdoors and closer to you! You can expect wood fired meats, smoked low and slow on our Traeger grills & fresh local seafood cooked over open flame and seasonal produce showcased the way it should be.

Our menu has been designed to share with friends, family and loved ones and best enjoyed together. During this period, dishes may arrive at different times.

So sit back, soak up the sunshine, and don't forget to **CHEER UP, SLOW DOWN & CHILL OUT!**
